LITERACY FOCUS	Phonics is taught daily using 'Letters and Sounds' as a basis. Children are assessed regularly and taught in groups according to their ability to recall sounds and blend/segment. Once children are blending sounds within Phase 2, they will receive an individual reading book to take home. This book will reflect their phonics knowledge. Before children reach that stage, they will be able to take home a story book to share with parents/carers. In addition to this, reading and writing opportunities are planned for within the continuous provision, both in advance and 'in the moment'. This includes careful choices when designing the environment.					
MATHS FOCUS (During daily maths sessions)	Getting to know you Just like me!	It's me 1,2,3! Light and Dark	Alive in 5! Growing 6,7,8	Building 9 and 10	To 20 and beyond First, then, now	Find my pattern On the move
CHILDREN'S INTERESTS	The children's interests are at the heart of what we do every day. This means that, during the continuous provision, we are driven by their interests and curiosities when planning 'in the moment'. A deliberate and sustained amount of time is planned for the children to access the continuous provision during morning and afternoon sessions, ensuring quality learning through play.
