

	Year 4 Medium Term Plan	Autumn 1 2021
-----------------------------------------------------------------------------------	--------------------------------	----------------------

STA Super Skills			Enhancement/Hooks	Influencer	Class Text	
	Work together as a team		Wonderful Wales! Experience Wales, its culinary creations, its music and scenery. 	Vincent Van Gogh 		The book is about one boy's amazing adventure into space, his introduction to strange and wonderful creature and the trouble he gets into in his new school.
	Take risks					
	Develop more skills to work independently					
	Use tier 2 and 3 vocabulary in our work					

As Subject Learners...	Tier 2 Vocabulary	Tier 3 Vocabulary
<p>As writers we will use our class text to inspire our character description writing which will include planning our writing, drafting and editing. We will look at using adjectives effectively and how we can expand nouns. We will develop our writing by creating a narrative opening, this will involve us using prepositions and adverbs to make our writing more interesting whilst making sure our writing grabs the reader.</p> <p>As mathematicians We will be looking at place value which will include counting in 100's, rounding and partitioning numbers and ordering and comparing 4-digit numbers. We will continue our journey into addition and subtraction and then further our learning by trying more difficult aspects of multiplication and division. We will also begin to investigate the properties of shape. We will continue to work on our times tables.</p> <p>As Readers, we will explore our class text , The Invincible Tony Spears, following the VIPERS sequence. (Vocabulary, Inference, Prediction, Explain, Retrieve, Sequence, Summarise).</p> <p>As Scientists we will be investigating the different "States of Matter" We will look at what makes a solid, what makes a liquid and what makes a gas. We will investigate where we find these different states of matter and how we can them both scientifically and in everyday life. We will create and conduct our own experiments to learn more.</p> <p>As Geographers we will discover the mountains of Wales. This will involve us looking at which countries make up the UK, which UK country has the longest river and think about where we would find Wales. We will compare whether England or Wales has the longest river and also who has the highest mountain. This will involve investigating the water cycle.</p> <p>In PE we will develop the fundamental skills of balancing, running, jumping, hopping and skipping. Also, we will develop our ability to change direction with balance and control. We will be given the opportunity to explore how the body moves at different speeds as well as how to accelerate and decelerate.</p>	Gas, carbon dioxide, state, matter, material, weight, mass. Solid, liquid, particles, melt, freeze, thermometer, temperature. Melt, freeze, condense, evaporate, process, state, water, ice, water vapor.	Evaporation, particles, liquid, gas, weight, dry, energy, state, heat. Human, physical, contrasting, geography, counties, dm, reservoir, chemicals and pollution

<p>As Musicians we will listen to a variety of music to encourage us to sing. This work will be done with staff from St Mary's College.</p> <p>As Artists we will use Van Gogh as our inspiration by making and matching colours with increasing accuracy. We will use specific colour language e.g. tint, tone, shade, hue while choosing paints and implements appropriately. We will begin to plan and create different effects and textures with paint according to what they need for the task.</p> <p>In RE we will be exploring the experience of family and how this still remains the first place for growth and development. We will begin to understand the Church is nothing other than the family of God and then look into how Jesus did have a human family tree which we can trace back using biblical stories.</p> <p>In computing we will look at the importance of E-Safety in an ever-increasing technological world.</p> <p>In PSHE we will be learning about how to make everyone feel welcome and how we can work well with others in our 'Being Me' topic.</p>
